

Module 14 — Client Handling

Topics: Requirements, Delivery, Revisions, Pricing

Assignment: Fake Client Project Solve Karna

Fake Client Project

Client: Fresh Bite Cafe

Project: Cafe ke liye simple business website

Goal: Client ko online presence dena aur customers ko menu, location aur contact information asani se provide karna.

1. Client Requirements

Requirement	Details
Website Pages	Home, About, Menu, Contact
Design	Simple, clean aur mobile-friendly design
Content	Cafe introduction, menu items, prices aur contact details
Features	WhatsApp/contact button, Google Maps location aur inquiry form
Delivery Time	7 days

2. Project Plan

Time	Task
Day 1	Requirements confirm karna aur content collect karna.
Day 2	Website structure aur basic design prepare karna.
Day 3-4	Pages aur required features develop karna.
Day 5	Mobile view aur functionality testing.
Day 6	Client ko preview/demo dena aur feedback lena.
Day 7	Final revisions ke baad website deliver karna.

3. Delivery Plan

Final website ko client ke samne demo kiya jayega. Client ko website ka final link/files, basic usage instructions aur required login information (agar applicable ho) provide ki jayegi. Delivery se pehle website ko mobile aur desktop dono par test kiya jayega.

4. Revision Policy

Project price mein 2 rounds of minor revisions include hain. Minor revisions mein text changes, image replacement aur small layout adjustments shamil hain. Agar client project scope se bahar new page ya major feature add karna chahe to usay additional work mana jayega aur uski separate cost/time discuss ki jayegi.

5. Pricing

Service	Price (PKR)
---------	-------------

Website Design & Development	25,000
Mobile Responsive Setup	Included
Contact/WhatsApp/Maps Features	Included
2 Revision Rounds	Included
Total Project Price	25,000 PKR

6. Client Communication

Client ko project ke start par requirements aur price confirm ki jayegi. Har important stage par short update diya jayega. Preview ke baad client se feedback written form mein liya jayega taa-ke revisions clear rahen aur misunderstanding na ho.

Conclusion

Is fake project mein client ki requirements ko pehle clear kiya gaya, phir timeline aur delivery plan banaya gaya. Revisions ki limit aur pricing pehle define ki gayi taa-ke project professional aur organized tareeqe se complete ho.
