

Assignment: Prompt Framework Create Karna

Topic: AI ke liye effective Prompt Framework

Prompt Framework Kya Hai?

Prompt Framework aik structured method hai jiske zariye hum AI ko clear instructions dete hain. Is mein role, goal, context, instructions, constraints aur output format define kiya jata hai. Is se AI ko user ki requirement samajhne aur relevant jawab dene mein madad milti hai.

Prompt Framework ke Main Parts

Part	Kya Likhein?	Example
1. Role	AI ka role define karein.	Tum aik experienced teacher ho.
2. Goal	AI se kya hasil karna hai?	Topic ko student ko samjhana hai.
3. Context	Background ya zaroori information dein.	Student class 10 ka hai.
4. Instructions	AI ko kya aur kis tarah karna hai?	Simple Roman Urdu mein step-by-step explain karo.
5. Constraints	Kin cheezon se bachna hai?	Unnecessary details aur difficult language use na karo.
6. Output Format	Answer kis format mein chahiye?	Headings, bullet points aur example ke sath jawab do.

Ready-to-Use Prompt Framework

Role: Tum [expert/teacher/writer] ho.

Goal: Tumhara task [specific goal] complete karna hai.

Context: [Required background information] ko madde nazar rakho.

Instructions: [Step-by-step instructions] follow karo.

Constraints: [Length, language, style ya limitations] ka khayal rakho.

Output Format: Jawab [headings/bullets/table/steps] ke format mein do.

Complete Example

Tum aik experienced teacher ho. Tumhara goal Class 10 ke student ko Artificial Intelligence simple tareeqe se samjhana hai. Student Roman Urdu mein explanation prefer karta hai. AI ko step-by-step aur easy language mein explain karo, 3 daily-life examples do, difficult terms ke short meanings bhi batao. Answer 300 words se zyada na ho. Jawab headings aur bullet points mein do aur akhir mein 3 key points ki summary add karo.

Conclusion

Aik acha prompt clear, specific aur well-structured hota hai. Prompt Framework use karne se AI ko role, goal, context aur required output samajhne mein asani hoti hai aur behtar result hasil kiya ja sakta hai.

Name: _____ Class: _____
